MEMORANDUM FOR: Deputy Director for Administration

FROM : Clifford D. May, Jr.
Director of Data Processing

SUBJECT : Contract Extension [REDACTED] (U)

25X1A

REFERENCE : Memo fm Lewis Lapham dtd 24 May 77, subject:
[REDACTED] Contract Termination (S)

25X1A

25X1A

1. (U) Action Requested: This memorandum forwards for your signature a proposed memorandum to the DCI requesting his approval for the obligation of \$40,000 [REDACTED] cover an extension of the Generalized Information Management System (GIMS) support contract.

25X1A

2. (U) Background: The level of effort on the existing [REDACTED] contract for GIMS support has exceeded our estimates mainly because of the enhancements needed to support CAMS. To provide needed continuity of GIMS maintenance and enhancement support for the remainder of FY-77, we need to extend the existing contract with a \$40,000 amendment. We have submitted a request for this extension to the Director of Logistics but prior to his completing the action, we became aware of the Director's guidelines on contracting with [REDACTED] (See reference-copy attached for your convenience.) We now want to get the Director's approval for obligating the \$40,000 to [REDACTED]. The arguments supporting this action are contained in the attached proposed memo to the DCI.

3. (U) Recommendation: It is recommended that the attached memo to the DCI be signed by the DDA. [REDACTED]
